**COUNCIL POLICY STATEMENT**

**Policy No.** 42

**Date Issued** 3/21/89

**Effective Date** 3/21/89

**Cancellation Date**

**Supersedes No.** 42, dated  
2/7/89

**General Subject:** RECLAIMED WATER USE

**Specific Subject:**

**Copies to:** City Council, City Manager, City Attorney, Department and  
Division Heads, Employee Bulletin Boards, Press, File

**PURPOSE**

To ensure that all proposed new land use developments are reviewed to determine if it is feasible to require that reclaimed water be used for commercial, industrial and construction purposes; open space, golf course and landscaping irrigation and agricultural purposes.

**STATEMENT OF POLICY**

Reclaimed water shall be used on all new land use developments proposed within the City of Carlsbad for all State approved non-potable uses, if it can be reasonably determined by the Utilities & Maintenance Director and the City Engineer that reclaimed water is available to serve to the parcel, or will be available to serve the parcel in the future.

The availability of reclaimed water to be supplied to any new land use development shall be based on the 1989 Water Reclamation Master Plan for the City of Carlsbad and any addenda thereto.

Installation of dual irrigation systems and connections to reclaimed water sources shall be required by the Utilities & Maintenance Director and the City Engineer, subject to the terms and conditions of the 1989 Water Reclamation Master Plan and any addenda thereto.
